1. Discussion of Police Services

The committee discussed the history and findings of the police services study; the Governor's proposal to increase the reimbursement rate for the resident state trooper program; and the status of the renewal agreement with the CT State Police. Mr. Hart explained the financial implications of the Governor's proposal as well as potential options if the proposal is approved.

Mr. Kegler asked for reports on the seasonal and geographic dispersion of calls for service; Mr. Hart will collect information that is available.

The committee asked Mr. Hart to prepare short and long-term options for the members' consideration. As part of its review, the committee would like to meet with the Resident Trooper, the UCONN Police Department and potentially the Coventry Police Department.

Mr. Hart will schedule the next meeting for late April.
